Punjabi, Hindi and English

PROJECTS

[MEAN Cart — MEAN Stack Merchandise Store](#)

MEAN Cart is my first portfolio project to showcase my proficiency in the MEAN Stack (MongoDB, Express JS, Angular, and Node JS). This project is a MEAN stack merchandise store where items, including T-Shirts, Caps, Mugs, and Mouse Pads, can be listed under various categories and brands. The project includes complete user authentication, order processing flow, and administrative functionalities for admin users.
